Cargo fell on ship's deck, killing one docker and seriously injuring another, Yokohama

Mikhail Voytenko News June 19, 2020 3:31 pm

Post Views: 1,041

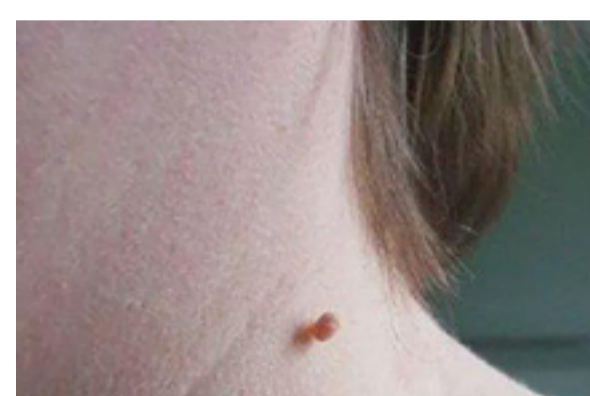

Cargo lifted by ship's cargo gear fell down on cargo deck of general cargo ship TIMU, hitting two Japanese port workers, at around midday local time Jun 19 at Yokohama port, Japan. One docker died, another one was hospitalized with serious injuries. The ship arrived from Kashima Japan, and understood to remain in port until completion of investigation.

General cargo ship TIMU, IMO 9333709, dwt 17224, built 2005, flag Panama, manager WISDOM MARINE LINES SA.
