According to Thanh Nien's source, on the evening of 6.5, a container forklift, after picking up the container from the yard back to the wharf, crashed into a group of workers.

The container forklift truck killed 1 male worker and injured 2 others.

According to initial records, the male worker died named Quyet. The victim was crushed on the back of the container truck. By 20:00 on June 6, the competent forces are still examining the scene.

This is not the first time that a fatal accident happened at Chua Ve port. Before that, at 1 o'clock on April 12, 2018, a serious occupational accident occurred at the port of this port, causing Mr. Bui Thanh Cong (40 years old, living on Cu Chinh Lan Street, Hong Bang District, City Hai Phong) died. Mr. Cong died from the hit of the gantry crane RTG equipment.
