

Sad! A 20-ton container slides over a truck that is loaded over persons in a double truck.

February 26, 2021

At 2:00 p.m. today (February 26 2021) Sawang Prathip Thammasathan Sriracha, Chonburi Province, received a trailer accident notified by a container loaded over it. Two people trapped in the car. The incident occurred at the B5 Pier in Laem Chabang Port. Thungsukla Sub-district, Sriracha District, Chonburi Province.

Therefore coordinating the car, cutting device, the Sawang Prathip Thammasathan Sriracha Foundation Along with the Vibharam resuscitation nursing team and Police Lieutenant Colonel Jirasak Wongwai, the investigation of Laem Chabang Police Station participated in the investigation.

At the scene, a white tractor was found, head number 71-3337, Chachoengsao, blocking the road inside Laem Chabang Port. With a 20-ton container overlaid around the tractor head until flat Inside the trailer header, the driver was found.

And the person sitting next to it is trapped inside the car. Staff had to coordinate a container handler from Port B5 to help lift the container from the cab. Before rescuers used a tool to cut two bodies trapped in the wreckage, they found that both of them had died. 46 years old.

Inquiring about Mr Thirawat Thong Puangpool, 41 years old, the driver of the trailer who came to deliver the cargo, said that the nature of the accident was expected. The trailer is likely to be in the back waiting for the cargo to enter the port. But when turning back the car, the driver probably pressed the brakes hard. Causing the container in the back to be locked.

With the centrifugal force combined with the weight of the container weighing up to 20 tons, the cargo flips over the trailer head. Until the two people in the car died, even if the cargo was locked If the vehicle brakes while making a strong turn, the locker can be disengaged from the trailer tail.

After examining the scene Police collected evidence and investigated witnesses. Then assigned rescuers to take the bodies of the deceased to be examined for the cause of death at Laem Chabang Hospital. Before contacting relatives and proceeding according to the law
