Many of the dockers and crew fell into the sea from the vessel "Nazmiye Ana" which capsized during loading in the Port of Castellon, Spain.

According to sources at the Port of Castellón, between 6 and 10 sailors fell overboard during the incident, killing 2 dockers and 1 of ship's crew. Search continues for another 1 ship's personnel.

It was noted that the crew who lost their lives were Indian citizens.

It was also stated that two people were injured during the capsizing of the ship. It was stated that one of the injured people was in good health and the injured were transferred to the hospital.

Castellon Port Authority took precautions against fuel leakage after "Nazmiye Ana" ship capsized.
