WRITES : [THE TOC TEAM](#) PUBLISHED 25 OCT. 21 (22:03)

Tin sorrow for the [tragic death of 46 chronou worker at Pier 2](#) of the Piraeus Container Terminal, expresses a statement today the **DPort Services** , the Greek company has undertaken to support the operation and the Container Terminal managing the port of Piraeus on behalf of SEP SA

"The administration and the working colleagues of the deceased in the port are united, expressing their pain and heartfelt condolences to his family and relatives.

The company DPort Services, as a sign of mourning, announces a cease work until tomorrow, October 26, at 23:00 ", the company claims.

## **A strike at the gate of SEP was decided by ENEDEP**

"**The prescribed crime**, the fatal accident at work, comes to confirm in the most tragic way the warnings of our Association, the anxieties of our colleagues for a possible fatal accident in the port. **It is not the " bad "moment.**

It is a result of the intensification of work, the lack of safety measures for our health and our integrity. "It is a result of the overcrowding, the overtime, **we are throwing" new workers "to swim without the necessary training"** , the Union of Container Workers in the piers of Piraeus (ENEDEP) states in an announcement.

The workers' union, on the occasion of the tragic death of a 46-year-old worker when it was hit by a crane bridge, **demands 6-hour posts, abolition of contra shifts** , conversion of all contracts into full-time, Health and Safety committees by employees.

According to ENEDEP, the General Assembly of employees decided to **strike at the gate of the PCT from now until tomorrow at 12 pm.**
