Coatzacoalcos, Ver.- A worker from Villa Allende died this Monday after falling from a height of more than 15 meters, when he was performing maintenance work at the Pajaritos Maritime Terminal.

The deceased was identified as Fredy GL, known to family and friends as “Pan Duro”, who was working in a storage tank when the tragic workplace accident occurred.

The worker was hired by the company Servicios Industriales y de Infraestructura GOSAN SA de CV, and it was reported that for some time he was a union delegate of the CTM in Villa Allende.

The deceased was well known and friends expressed their condolences through social networks.
