Two dead and one injured in a work accident at a port company

The incident occurred while those involved were working on grain silos in a company located in the Blessing of God.

JUDICIAL Sep 15, 2021

Two people died in a work accident at the **Riverport Port Society** facilities, located at **Carrera 48** with Calle 4, sector of the Blessing of God. The event was recorded on the afternoon of this Wednesday. The victims, who have not yet been identified by authorities, lost their lives while working on grain silos.

This media learned that the deceased today perished in the place after the structure collapsed. Trucks 28, 31 and 32 from the Barranquilla **fire department** arrived to the company to support the rescue efforts. Another person who was there was injured, for which she was helped and taken by an ambulance that came to the company to a nearby **medical center**.

A witness, who requested that his identity be reserved, told this publishing house that "several workers were at around 12:40 in the afternoon working next to a grain silo and, apparently, part of the structure gave way, causing three men to remain between the metal structures, "said the witness, adding that" I do not really know what caused the accident, because everything was normal. "

So far it is expected that the **authorities** will rule on the matter and that they will be in charge of clarifying the hypothesis of this unfortunate event.
