Menzel Bourguiba: a worker dies after a fall at the commercial port

- August 24, 2022

Today, Wednesday, a worker died in an accident at the port of Menzel Bourguiba, after falling to the ground, according to what was indicated by the correspondent of Shams FM in the region, the regional director of civil protection in Bizerte.

The source explained that the victim is over thirty years old.

He was taken after falling from the side of the Civil Protection road to Menzel Bourguiba Regional Hospital, where he died of his injuries.
