Accordingly, around 11:30 a.m., on November 9, at the Hon Net N2-5 transshipment area in Thang Loi commune, Van Don district (Quang Ninh), Huy Manh 2 self-propelled floating crane belonging to Huy Manh Co., Ltd. has the address at Dong Trieu Town (Quang Ninh) by Mr. LVT (SN 1997, residing in Trang An Ward, Dong Trieu Town) operating the crane.

At that time, Mr. T. was lifting coal from the ship MINERAL (Panama nationality) to the ship NB-2896 belonging to Cuong Think Co., Ltd. based in Ninh Binh province when suddenly the crane pillar broke.

As a result, the crane body and cabin were separated from the crane pillar, falling to the deck of the self-propelled barge, causing the crane driver, Mr. LVT, sitting in the cabin to be seriously injured and everyone brought to the mainland for emergency treatment. However, because the wound was too severe, at 12:30 pm on the same day, Mr. T. died.

As soon as the incident happened, local authorities were present to blockade the scene to investigate the cause of the incident and handle it in accordance with the law.
