Deceased dock worker, Sommariva: "Proximity to Alessandro Bassi's family"

"On behalf of the entire port community of La Spezia and of all the employees of the Port System Authority of the Eastern Ligurian Sea, I intend to express the immense pain and deepest closeness to the family members of the employee of La Spezia Container Terminal, Alessandro Bassi, who died this morning due to an accident the causes of which are under investigation".

"This is the moment of pain and condolences, and in the coming days we will have to work to ensure that the threshold of attention on the issue of safety in the workplace is kept high and constant. I want to thank the Fire Brigade, the Port Authority and all the police forces who promptly intervened on the scene of the accident", declared the AdSP president, Mario Sommariva.

Even Assoportì expresses condolences: "On behalf of the Association of Italian Ports and of all the port sectors, we express deep pain and closeness to the family members of the port worker of the La Spezia Container Terminal company, who died this morning in the port. Even if the causes are still to be ascertained, Assoportì wants to reaffirm the necessary commitment of the entire sector for the diffusion of the culture of safety, a fundamental and essential element".
