A fatal industrial accident occurred at Kwai Chung Container Terminal No. 6. Tonight (3rd) around 7:00, the police received a report from a man that a worker was run over by a "gantry" crane and was seriously injured and unconscious. The worker was later certified dead at the scene.

The police launched an investigation at the container terminal. The identity of the deceased and the cause of the accident are yet to be determined. The surname of the 62-year-old male worker who was crushed to death was Liu. The Labor Department has dispatched personnel to the scene to investigate the cause of the incident.
