A CSX employee at the Seagirt Marine Terminal in Baltimore was fatally injured Monday night.

A spokesperson for CSX released a statement to WBAL:

"CSX confirms that an employee was fatally injured in the course of working yesterday evening at the Seagirt Terminal in Baltimore, MD. CSX mourns the loss of this employee and our thoughts are with his family and loved ones. The safety of our railroads is CSX's highest priority. This incident will be investigated to determine exactly what happened."

No further information was immediately available.
