

Bizerte: The death of Rafik Thawadi (31 years old), a worker in the commercial port, who was crushed between two containers

JUNE 15, 2023

Despite the intervention of the Civil Protection in an attempt to save him, Rafik Thawadi, a worker in the commercial port of Bizerte, died this evening, Thursday, June 15, 2023, crushed between two containers, after being transferred to the Habib Bougatfa University Hospital, where he died

According to witnesses, quoting Mosaique, the dead man was located between two containers, and the crane driver could not see him, and he was subjected to a crushing operation.

In a related context, a number of workers denounced the lack of safety means in the port, as they work without wearing protective helmets and tie ropes while climbing over containers.
