NORFOLK, Va. (WAVY) — An industrial accident at the Norfolk International Terminals (NIT) at the Port of Virginia sent one person to the hospital Friday.

Dispatchers tell WAVY.com the call came in around 11:05 a.m. One person was injured in the accident, and has been transported to the hospital.

10 On Your Side received a viewer photo, showing heavy damage to the cab of a straddle carrier at NIT.
