Dock worker crushed to death by forklift

At Marina di Carrara

(ANSA) - Massa Carrara, **August 21** - A dock worker was crushed to death by a forklift truck at Marina di Carrara port on Tuesday.

The man, said to be around 40, was hit by the manoeuvring truck while loading a ship. He was immediately killed, local sources said.

The man's name was not immediately made known.
The port handles a lot of Carrara marble.
