Two port workers suffocated to death in chip carrier hold

Mikhail VoytenkoNews September 16, 2018 9:26 am

Two port workers suffocated in hold of wood chips carrier UNI FORTUNE, docked at Quy Nhon port, central Vietnam, early in the morning Sep 16. They fainted and fell into hold, other workers didn't dare to go down to assist, both injured workers were recovered by rescuers about an hour after alert was raised, and were found to be dead.

Wood chips carrier UNI FORTUNE, IMO 9011193, dwt 47002, built 1991, flag Panama, manager KYK Lines Indonesia.
