

18-YEAR-OLD KILLED IN WORKPLACE ACCIDENT AT ROTTERDAM PORT

By Janene Pieters on November 2, 2018 - 11:40

An 18-year-old student of the Shipping and Transport College in Rotterdam was killed in a workplace accident on Thursday. The boy from Stellendam ended up under a forklift truck, the Telegraaf reports.

The accident happened at a storage location on Steinweg Hartel in the Euro Port, according to RTV Rijnmond.

The cause of the accident is being investigated.
