Guard dies run over at the Logistic Node of the Port of San Antonio

November 21, 2018   By Redacción PortalPortuario.cl @PortalPortuario

A security guard of the company Eulen, who provides services in the Logistic Node of San Antonio, identified as José Ulloa Plaza, 54, lost his life when he was run over on the spot. The incident took place in the morning hours of this Wednesday after which he was transferred to an assistance center, where he lost his life due to severe trauma.

The Seremi del Trabajo of Valparaíso, María Silva, said that "around noon we were informed by the competent bodies regarding this accident that takes place under circumstances that the security guard was directing the traffic at the entrance to the Port of San Antonio".

The authority explained that the Labor Inspectorate was established in the place to verify compliance with labor standards under current legislation. Puerto San Antonio Regarding the outrage occurred this Wednesday at this morning in the sector of La Playa Avenue, the general manager of the port company,

Aldo Signorelli, lamented the death of José Ramón Ulloa Plaza, a worker belonging to the Eulen company, who provide management services for mobilization in the port area. "As a port authority, we deeply regret what happened and express our condolences to the family and work colleagues of Mr. José Ramón Ulloa Plaza," the general manager said.

After what happened, the emergency protocols were immediately activated and the proceedings were carried out to provide assistance to the affected person being transferred to the Claudio Vicuña hospital in San Antonio.
