

Container lift truck driving death at ICD Tam Cang Terminal

April 20, 2019 18:12

Mr. Ha brought the order and handed it to the container lift truck driver and was run over, died on the spot at ICD Tam Cang Terminal

The accident scene caused container truck drivers to die at ICD Tam Cang Terminal

In the morning of April 20, at the ICD terminal in Tam Cang, Dinh Vu industrial zone, Hai Phong suffered a serious accident. ICD Tam Cang's container lift truck accidentally crushed Nguyen Cong Ha (Thanh Hoa village), driving Phuc Trung Thanh container truck, to death on the spot.

According to initial information, Mr. Ha held a delivery slip for the container lift driver and unfortunately fell and was run over by the lift's wheels, resulting in death.

Immediately after the accident, Dinh Vu Police Station (Police of Hai An District, Hai Phong) organized forces to the scene, coordinating with ICD Tam Cang to solve the accident and inform the enterprise, family driving. Currently the authorities are investigating the accident according to regulations.
