OSH ALERT 2020-12 [19 May 2020]

Things to Remember About “Reopening” Society

For a number of reasons, it’s ultimately necessary that we get back to living our lives in a way that we were more accustomed to. Depending upon your location, that will likely be done in an incremental fashion. As we move on, it’s also very important to understand that we’re still not out of the Covid-19 woods as yet and that the virus is out there and can still be transmitted very easily from person to person.

That’s why the ILA~USMX Joint Safety Committee reminds all our constituents that the [Covid-19 mitigation protocols](#) already established by ILA & USMX **and** the basic precautions found below are all the more important to practice in our everyday activities on the job going forward during the transition to reopen society.
