OSH ALERT 2019-10 [27 July 2019]

3M Fall Protection, the manufacturer of the 3M™ DBI-SALA® Twin-Leg Nano-Lok™ *edge* and the Twin-Leg Nano-Lok™ Wrap Back Self-Retracting Lifeline has distributed a product “**Stop Use - Recall**”, alerting users of a potential energy absorption feature defect.

Some stevedoring operations here in the United States actively utilize these self-retracting lifelines to protect workers going aloft. Should your fall protection system incorporate the use any of these particular self-retracting lifelines, we urge review and implementation of the guidance provided via this link:
