

Fatal accident: a worker died when a rail fell on him in the port of Montevideo

FEBRUARY 8, 2025 - 19:41HS

A Bomport company worker **died** in the **port of Montevideo** after a rail fell on him, when he was leaving his job.

According to the National Navy, when the victim left work he decided along with other colleagues to avoid the pedestrian path **"to shorten the route."**

During the journey and in circumstances to be determined, a rail that fulfilled the function of a perimeter fence fell on him, **causing his death.**

The acting Prosecutor's Office ordered the intervention of forensics, carrying out technical expertise assessment, the statements of witnesses and the person responsible for the control of the **"perimeter fence"**
